

Directions to Innovation Stream

Railway Station

Falmer Railway Station is immediately opposite the University entrance. You may need to change at Brighton or Lewes main stations (about eight minutes in either direction). Coaches to Brighton leave Victoria every 90 minutes and arrive at the Brighton Pool Valley Bus Station. Take a connecting bus to the campus.

Bus Stop

Bus number 25 runs between the centre of Brighton and the University - stopping at Churchill Square and Old Steine - bringing passengers directly onto the campus. In addition, bus services 28, 30, 129, 728 and 729 operate between Brighton (Old Steine) and destinations east of Falmer. They all stop right outside the University.

Car Park

The Sussex Innovation Centre is located on the University of Sussex campus about four miles (six kilometres) east of Brighton or 3 miles west of Lewes on the A27. Take the junction marked Falmer/University of Sussex (B2123) and follow signs for the University of Sussex. Car parking is available on site in Car Park 2.
